for Texas
8.25% sales tax

Action Moments has over 12 years of INTERNATIONAL large event cheerleading coverage including the USASF/IASF Worlds Cheer and Dance competition. We provide coverage with more photographers than any other company and strive to capture EVERY competitor in multiple photos. Look for our booths with MANY computers

For example: A squad of 12 competitors would have a price of \$300 (12x\$25) We'll deliver 14 copies of that disc with BOTH days of competition. If all parents participate, then each pays just \$25 - if less participate, the per parent price will be a bit higher. Parents with siblings on the SAME squad will only need to pay once. For large squads over 24, we cap our pricing at \$600 - but we'll still deliver a number of discs equal to your squad size plus two free coaches discs.

Please allow up to one hour after your Awards Ceremony for discs to be ready. If you are unable to wait for the discs, we'll ship them FREE within the week after the event.
