### NCA/NDA All-Star Nationals TEAM DISC Special

- 
- 3-4 photographers per stage!!! (3 telephoto closeups and 1 wide angle)
  - 7 camera perspectives (different photographers each day)
  - BOTH days performances (ALL photos, ALL angles, HIGH resolution images)
  - \$25 per competitor (no tax, no shipping)
  - EVERYBODY gets a copy (no matter the squad size)
  - Free coaches copies (2 additional copies provided for coaches at no charge)
  - Photo release provided on every disc (get your prints made anywhere)
  - TEAM DISCS delivered onsite !!! (YES - take them home with you!!!)
- 

Please fill out your gym/contact information and bring it to one of our cashiers with one full payment of cash, MC or Visa.

Gym Name \_\_\_\_\_ Level/Division \_\_\_\_\_  
Contact Name \_\_\_\_\_ Phone # \_\_\_\_\_  
Address \_\_\_\_\_ Email \_\_\_\_\_  
City \_\_\_\_\_ State \_\_\_\_\_ ZIP \_\_\_\_\_

Please allow up to one hour after your Sunday performance for discs to be ready. If you are unable to wait for the discs, we'll ship them FREE within the week after the event.

---

For example: A squad of 20 competitors would have a TEAM DISC price of \$500 (20x\$25)

We'll deliver 22 copies of that disc with BOTH days of competition.

If all parents participate, then each pays just \$25 - if less participate, the per parent price will be a bit higher.

Parents with siblings on the SAME squad will only need to pay once.

Unfortunately, we will be unable to offer discounts for crossovers.

For large squads, we cap our pricing at \$600 - but we'll still deliver a number of discs equal to your squad size plus two free coaches discs. (If you have 25+ competitors, the price will be \$600)

Action Moments is your NEW photographer for the 2010 NCA/NDA All-Star Nationals. We have over 9 years of nationwide large event cheerleading coverage - including Worlds. We provide coverage with more photographers than any other company and strive to capture EVERY competitor in multiple photos.

Look for the large slideshows of your photos and come by our booths with MANY computers that let you look at all the photos, angles and action that we capture.
