Please allow up to **one hour after your Awards Ceremony** for discs to be ready. If you are unable to wait for the discs, we'll ship them **FREE** within the week after the event.

For example: A Performance Division squad of 12 competitors would have a price of \$360 (12x\$30)
We'll deliver 14 copies of that disc with BOTH Performance days of competition.

If all parents participate, then each pays just \$30 - if less participate, the per parent price will be a bit higher.
Parents with siblings on the SAME squad will only need to pay once.

For 2x GameTime Divisions with 10 competitors, the price would be \$150 for 12 copies. (2x10x\$7.50) For large squads over 24, we cap our pricing at \$720.

- but we'll still deliver a number of discs equal to your squad size plus two free coaches discs.
